

*Remember Their Lives  
For Generations to Come*

**Whether your roots run deep in Iowa soil,  
or your family is newly transplanted...  
as Iowans, we all share a deep sense of  
pride in our families.**

**And now you have the opportunity to pay a lasting  
tribute to your family and preserve your heritage...**

**Will your family's history be lost to  
future generations?**

# The Iowa Genealogical Society Ancestor Memorial Wall

The IGS library at 628 E Grand Ave, directly across the street north of the State of Iowa Historical Building, gives the perfect opportunity to honor those that have gone before us and loved ones still here.

## Ancestor Memorial Wall Panel

The Ancestor Memorial Wall consists of over 2,000 lines engraved in a gray granite-like material. Each 40 space line will bear the name or names of the very special people being honored. On permanent display in the library's foyer, it is sure to be of interest to the visitors we welcome each year and to many future generations of researchers to come.

## A Genealogical Destination

Since 1965, the Iowa Genealogical Society has been helping family researchers trace their ancestry. Starting with a single box of books, our collection has grown to over 12,000 volumes and more than 10,000 rolls of microfilm and microfiche. The State of Iowa Historical Library's collection compliments ours nicely and with their building within a few steps, we are certain that our 8,400 square foot facility will become the destination for those interested in Iowa research.
