Iowa Civil War Veterans Buried in the GAR Cemetery in Portland, Oregon

by
David C. Bailey, Sr.

This paper documents Iowa Civil War veterans who relocated to Oregon and were ultimately buried in the Grand Army of the Republic (GAR) Cemetery in Portland. The GAR was the largest veterans' organization to appear after the conflict. By 1890 when the GAR was reaching its peak, membership reached almost 500,000. The final Encampment of the Grand Army of the Republic was held in 1949.

The GAR had a significant influence on politics, law, and social programs in the United States. Memorial Day was established as a national holiday, five GAR members were elected President, many Governors in northern states were members, soldiers' homes were founded, veterans' relief programs were established and ever more valuable pensions were given to the Union veterans. One service the GAR often provided its members was cemetery plots for them and members of their families. Often this was done by purchasing a collection of lots in existing local cemeteries that were subsequently used by members. In some cases, the local GAR established their own cemeteries from scratch. Such was the case in Portland.

The Grand Army Cemetery in Portland, Multnomah County, Oregon was organized by 14 members of local Portland GAR Posts in 1882. They purchased approximately two acres of land in Portland and offered lots to Civil War veterans (whether members of the GAR or not), members of their families and eventually the general public. As the members of the GAR died off, management of the Cemetery was taken over by the Daughters of Union Veterans of the Civil War. Later they turned the facility over to the Metro Parks and Green Spaces of Multnomah County in 1971. Today the Cemetery is well maintained and adjoins the Riverview and Greenwood Hills Cemeteries in Portland.

The list was built from three sources:

- a. Headstone readings published by the USGenWeb Archives Project¹
- b. Entries at the Find a Grave website²
- c. Headstone readings and cemetery records published by the Genealogical Forum of Oregon³

A summary of the service of each Iowa Civil War veteran buried in the Cemetery is provided, as well as birth and death information where available. Pension files were consulted to identify those instances where a man served in more than one unit during the war. Membership in Oregon GAR Posts as well as the Military Order of the Loyal Legion of the United States (MOLLUS) for those who were members is noted.

Iowa Pioneer, Century & Statehood Certificates

The **IOWA CERTIFICATE** project is available for anyone whose ancestor was in Iowa during specific time periods. Sources of proof can be census, county history, Bible record, land record, etc. The completed application and copies of proof are filed at the library for the patrons' use.

Application for Certificates

The Iowa Genealogical Society issues certificates to persons who are directly descended from Iowa Pioneers. Applications must prove direct descent and prove that the ancestor settled in Iowa

- By 1846, to receive a **Statehood Certificate**;
- By 1856, to receive a **Pioneer Certificate**;
- More than 100 years prior to the date of application, for a **Century Certificate**.

Applicants may apply for certificates to be issued to themselves or to other persons. The person to whom the certificate is issued need not currently live in Iowa.

The purpose of the Certificate Program is to recognize families with Iowa roots, encourage people to undertake genealogical research, and to provide genealogical resources for researchers in our library.

The information and application are available at the library or by sending a self-addressed stamped envelope to IGS. You may also find the information and application on our website <http://www.iowagenealogy.org/library/research/>. The cost is \$10.00 per certificate for members of IGS and \$10.00 for non-members. The certificate is suitable for framing.

Following are the certificates issued August 2010 through December 2010.

Century Certificates

Direct ancestor has been in Iowa for the last 100 or more years.

Pioneer Certificates

Direct ancestor was in Iowa in 1856 or before.

Statehood Certificates

Direct ancestor was in Iowa by 1846.

Iowa Genealogical Society Queries

Queries are free to members of IGS and \$5.00 per query for non-members. Queries will be published as space permits. We reserve the right to edit and/or reject material. Please **TYPE** or **PRINT** your query for clarity. Limit queries to **FIFTY WORDS**, if possible. Only **ONE** query per person per issue unless space permits.

BRADBURY, VANCE: I'm trying to locate in Iowa a genealogist or someone interested in genealogy who is descended from Jane Keene Bradbury (d. December 01, 1927 in State Center) who was married to William Vance (d. November 11, 1912 in Marshalltown).

My great grandmother, Mary Proctor Bradbury, was Jane Keene's younger sister.
